A Trip Across the United States!

Shascade's Intermountain Services is now all over the United States. As part of their history program, they are learning about every state, starting on the west coast and working east! It's the Old Oregon Trail all over again! Shascade's consumers are really enjoying the trip!

Intermountain Services is also working on educating our consumers in sign language. Shascade's cook book is coming along nicely. Intermountain Services is working on the artwork to go with the book. The recipes sound delicious and we look forward to trying the recipes! Thanks to Intermountain Services for their hard work!

The Community Expo

The Community Expo was a hit! Our patriotic theme micro-business goods went over famously! We sold cheesecakes prepared by Chocoholics, all sorts of Incredible Edibles, and many household items prepared by the micro-businesses. There were many micro-business goods to choose from at this event. Squeaky Clean gave away stamp cards for their car washes, Trinity sold some Go Green bags, Be Shelled sold some very nice jewelry and the entire day was a success. Thanks to the consumers and staff that helped with this event!
